How do I register for camp?

Before registration opens, please login to your Cogran account to ensure it is up to date & active

There are 2 ways you can access camp registration by following this link www.cogran.com/index OR you can go to www.lacawac.org find the "Education" drop down tab, click "camp" and reach our registration site that way.

- When you reach our registration website, please select the groups & sessions you wish to sign your child up for (if multiple children, repeat this process for all children you are registering)
- Selected camps & sessions will appear in your cart, you must "checkout" to move forward with registration
- Follow the prompts on the registration platform and ensure all information is accurate before proceeding (participant contact information is the campers information) & upload the MOST RECENT copy of your child's health physical
- Please fill out all forms requested, as well as signing the release form at the end of registration, then complete payment via Stripe, Cogran's payment portal.
- You will receive confirmation from Cogran once the registration has been completed and processed.
- If you are placed on the waitlist, you will receive an email when your registration is ready for purchase.

What is the waitlist and how do I get off?

- The waitlist is in place to ensure we maintain our 8:1 ratio of campers to staff in compliance with Pennsylvania state guidelines in regards to summer camp
- You will be notified via email when your waitlist is ready for purchase, meaning you are now able to pay for camp and do NOT need to reregister.
- Getting off the waitlist depends on how many counselors we have this summer (we hope to get everyone off the waitlist)
- We understand that being on the waitlist is frustrating, but we ask for your patience as we work to get everyone off the waitlist in a timely manner!
