

Girls in STEM Symposium

2026 Sponsorship Opportunities

About the Girls in STEM Symposium

Lacawac Sanctuary Foundation's Girls in STEM Symposium is a one-day event designed to inspire and empower middle and high school girls to explore careers in Science, Technology, Engineering, and Math. Through engaging conversations, panels, and workshops, the symposium highlights the professional and life experiences of accomplished women in STEM fields, encouraging students to discover new interests, exchange ideas, and envision themselves as future STEM leaders. The symposium will be held **Tuesday, September 22, 2026**.

Become a 2026 Sponsor

By becoming a sponsor of Lacawac's Girls in STEM Symposium, you're not just supporting an event, you're investing in equity, education, and the future of young women in STEM fields in our region. As a sponsor of this event you will have the opportunity to connect with like-minded participants, gain visibility among STEM-focused audiences, be recognized as a key supporter of educational and workforce development in our region, and, most importantly, knowing you have made a difference in our community!

See our sponsorship levels and find the opportunity that is right for you! Each level offers unique benefits and opportunities for engagement.
